The doors to each testing center will open at least 15 minutes before all scheduled testing appointments in order to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. Forms of valid photo-bearing ID are a driver's license, passport, or military ID. Please contact Prov in advance of your test date if you have any questions regarding your photo ID. You will also be required to sign a test center log, and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, if you refuse to participate in signing as instructed or refuse to be photographed, you will be dismissed from the test and forfeit all testing fees for that testing session.

Prohibited Items

No cameras, recorders, cell phones, computers, (other than those in use for administration of your examination remotely, if applicable), pagers, tablet computers, music players, smart watches, radios, electronic games, or any other electronic devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items are not permitted in the testing room.

For exam security you may also be **asked to remove** articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the Board will be notified of your dismissal from the exam.

Visitor Policy

No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Division of Professional Regulation. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

Candidate Civility Expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of the stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

SCORE INFORMATION

Candidates must achieve an overall passing scaled score of 75.00 on the practical and written exams.

All exams will be scored and graded against a cut-score established by NIC for these examinations. The score on these examinations is reported as a "scaled score". This score is not the same as a raw score (which is the number of correct responses on a test). This means that the score does NOT represent the percentage of questions correctly answered on the test. Each part of the examination has its own cut-score and is weighted according to its importance in the demonstration of entry-level competence.

RESULTS REPORTING

Upon completion of the written examination, your test will be scored, and you will be provided with an unofficial score result while at the testing center. Official score results for the written and practical examinations will be sent to your email address within three (3) business days following completion of the test.

RETESTING POLICY

Failed examinations can be retaken as often as is necessary. There's is no waiting period and candidates can schedule a new testing session for the first available testing date.

Candidates cannot retake an exam once they have passed that exam unless required by the State of North Dakota.

PROV'S NON-DISCRIMINATION STATEMENT
