For exam security you may also be **asked to remove** articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the Division will be notified of your dismissal from the exam.

**Visitor Policy**

No one other than the candidate will be allowed in the testing room.

Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

**Candidate Civility Expectations**

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

## SCORE INFORMATION

Candidates must achieve an overall passing scaled score on the practical and written exams as follows:

- ✓ Instructor - 85.00

## RESULTS REPORTING

Official score results for the written and practical examinations will be sent to your email address within three (3) business days following completion of the test.

## RETESTING POLICY

Failed written examinations may be retaken as many times as necessary without obtaining additional school hours. Failed practical examinations can be retaken up to three (3) times if necessary. It is the Candidate's responsibility to track the number of failed attempts. If a Candidate re-applies and retakes the practical exam a 4<sup>th</sup> time without obtaining additional school hours the Board may void the score.

Candidates cannot retake an exam once they have passed that exam unless required by the State of North Carolina.

## PROV'S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at (801) 733-4455 or write to:

Prov, Inc., 150 W Civic Center Drive, Suite 601, Sandy, UT 84092.

## AMERICANS WITH DISABILITIES ACT ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing accommodations. To request accommodations during testing, candidates should complete and submit these ADA forms: [ADA Forms](#)

Prov will require written documentation from a licensed physician or psychologist documenting the disability and the recommended accommodations to be provided. Prov will then work directly with the candidates to arrange the approved accommodations.

**Note:** Accommodations will not be provided based solely on a candidate's inability to read and comprehend English. This is due to the possible impact on the security and integrity of the examinations, any accommodation provided shall be made in accordance with test administration guidelines and applicable law.

## WHAT DO YOU NEED TO BRING

Please make sure you bring all the necessary items for your test to avoid any delays.

- A valid, government-issued photo ID (such as a driver's license, passport, or military ID). All candidates are required to show their ID during check-in. Please note that paper, temporary, copies, or electronic versions of ID are NOT considered acceptable forms of ID. Those who do not provide a valid form of ID will not be able to test and will forfeit their exam fees.
  - Please check your state specific Candidate Information Bulletin for all information pertaining to ID requirements.
- Materials listed in the NIC suggested supply list.
- Fully charged phone and laptop. It is recommended that these devices be plugged into a power source throughout the duration of your examination.
- A well-lit workspace, please avoid having any bright lights or windows behind you.

## HOW TO SET UP YOUR WORKSPACE?

Properly setting up your workspace before your exam will help to avoid any unnecessary delays to your testing experience. Please follow the instructions outlined below to the best of your ability.

First, ensure you have a large enough space to accommodate all your supplies. Supplies must be visible to examiners, including, but not limited to, trash receptacles. We recommend using a large table and workspace clear of any other non-exam-related items.

Two views of your workspace are required to test: a front view, and a side view.

### Front View

- The front view should allow the examiner to see your workspace, supplies, and mannequin head.
- Avoid any bright lights or windows in the background.
- Set your laptop at an 80-degree angle toward you, not straight up and down and 35 inches away from the workspace.
- Viewing the working area is more important than seeing your face.

## Side View

- The side view will require a smart phone to stream video footage during the length of the exam. Phones should be plugged into power to avoid depleting the battery during the examination.
- Place your cell phone about 45 inches behind and to the left or right of the work area. Enough space away that you can see the bags labeled Items to be Disinfected, Trash, and Soiled Linens. Keep all 3 bags on the same side facing your cell phone.

- The phone should look toward the ground and be directed to the bags under your work area.
- The Bags should be labeled on all four sides.
- Please position yourself so that there are no windows situated behind you during testing. Any other windows in the testing area should be covered.
- Make sure there is good lighting so the Examiners can see what you are working on.
- Once your equipment and workstation has been set up appropriately, you are ready to begin your exam.
