TEST DAY RULES AND PROCEDURES

Check-in Deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Proof of Identity

You will be required to show photo-bearing identification that includes your signature. Your first, middle name or middle initial and your last name on your ID MUST match the name on your admission documents EXACTLY. The photo-bearing ID must be current and valid. Forms of valid photo-bearing IDs are a driver's license, state ID, public school student ID, passport, or military ID that includes your signature. Temporary IDs that do not have a signature and expired IDs will NOT be accepted. Please contact Prov in advance of your test date if you have any questions regarding your photo ID. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID with your signature, if you refuse to participate in signing as instructed or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

Prohibited Items

No cameras, recorders, cell phones, computers, pagers, tablets, music players, smart watches, radios, electronic games, translation dictionaries, or any other electronic devices **ARE NOT ALLOWED** in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items should be placed in secure storage at the testing facility.

For exam security you may also be **asked to remove** articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the State will be notified of your dismissal from the exam.

Visitor Policy

No one other than the candidate will be allowed in the testing room.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Office of Professional Regulation. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

Candidate Civility Expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

Security Protocols

Candidates will be asked if they possess any prohibited items, to empty their pockets and turn them out to ensure they are empty. Items in pockets will be inspected. Candidates will be asked to raise their sleeves and their pant legs to ensure that notes or recording devices are not concealed. Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be a recording device.

RESULTS REPORTING

Unofficial written exam results are available at the testing center once you complete your exam. Official exam results will be emailed to you within 3 business days after your test.

Official exam results for the practical exam will be emailed to you within 3 business days after your test.

RETESTING POLICY

Failed examinations can be retaken as often as is necessary. There is no waiting period, and candidates can schedule a new testing session for the first available testing date. Candidates cannot retake an exam once they have passed that exam unless required by the Commonwealth of Virginia.

PROV'S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at 877-228-3926 or write to:

Prov, Inc., 150 W Civic Center Drive, Suite 601, Sandy, UT 84092.

SPECIAL ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations for candidates that require additional assistance during the testing process. If candidates feel that they qualify for special accommodations during testing, they should contact Prov at (877) 228-3926. Prov will require written documentation from a licensed physician or psychologist documenting the disability and further require a request describing the requested remedy. Prov will then work directly with the candidates to make the accommodations they will need to complete their examination.

ADA forms are provided here. [ADA Forms](#)

Note: Accommodations will not be provided based solely on a candidate's inability to read and comprehend English. This is due to the possible impact on the security and integrity of the NIC examinations, any accommodation provided shall be made in accordance with the NIC guidelines and applicable law.
