TEST DAY RULES AND PROCEDURES**Check-in Deadline**

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Proof of Identity

You will be required to show government-issued, photo-bearing identification that includes your signature. Your first and last name on your ID MUST match the name on your admission documents. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver's license, passport, or military ID. Temporary IDs must have a photo to be accepted. Expired IDs will NOT be accepted if they expired more than 30 days prior to your test date. Please contact Prov in advance of your test date if you have any questions regarding your photo ID. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, refuse to participate in signing as instructed or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

Prohibited Items

No cameras, recorders, cell phones, computers, pagers, tablet computers, music players, smart watches, radios, electronic games, or any other electronic devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items should be placed in secure storage at the testing facility.

For exam security you may also be **asked to remove** articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the Division will be notified of your dismissal from the exam.

Visitor Policy

No one other than the candidate will be allowed in the testing room.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Division of Occupational and Professional Licensing. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

Candidate Civility Expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

SCORE INFORMATION

Candidates must achieve an overall passing scaled score of 75 on the practical and written exams.

All exams will be scored and graded against a cut-score established by NIC for these examinations. The score on these examinations is reported as a "scaled score". This score is not the same as a raw score (which is the number of correct responses on a test). This means that the score does NOT represent the percentage of questions correctly answered on the test. Each part of the examination has its own cut-score and is weighted according to its importance in the demonstration of entry-level competence.

RESULTS REPORTING

Unofficial written exam results are available at the testing center once you complete your exam. Official exam results will be emailed to you within 3 days after your test.

RETESTING POLICY

Failed examinations can be retaken as often as is necessary within a one-year period. There is a four (4) day waiting period and candidates can schedule a new testing session for the first available testing date.

PROV'S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at (801) 733-4455 or write to:

Prov, Inc., 150 W Civic Center Drive, Suite 601, Sandy, UT 84092.

AMERICANS WITH DISABILITIES ACT ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing accommodations. To request accommodations during testing, candidates should complete and submit these ADA forms: [ADA Forms](#)

Prov will require written documentation from a licensed physician or psychologist documenting the disability and the recommended accommodations to be provided. Prov will then work directly with the candidates to arrange the approved accommodations.

Note: Accommodations will not be provided based solely on a candidate's inability to read and comprehend English. This is due to the possible impact on the security and integrity of the examinations, any accommodation provided shall be made in accordance with test administration guidelines and applicable law.
