TEST DAY RULES AND PROCEDURES**Test Site Testing - Check-in Deadline**

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Test site testing candidates proceed to “Proof of Identity” section of this bulletin.

What is Examroom?

Examroom is a remote test monitoring service that allows you to take your test on your own computer at your home. On test day, you log in to the Examroom website and request to start your exam. A test proctor will greet you over your computer, will verify your identity, take your picture, and observe you throughout the testing process.

Not every computer system is capable of taking a test on Examroom. The following are the **MINIMUM** requirements that your computer system would need to meet to qualify to take your test using the Examroom service:

- The operating system on computer needs to be recent (less than 3-4 years old)
- The remote system works on a MAC, PC, or Chromebook (Please verify your Chromebook will work with our system in advance of test day.) **THE SYSTEM WILL NOT PERMIT YOU TO USE AN I-PAD OR TABLET.** If you are **not** prepared to test with proper equipment using the remote proctoring system you will be required to reschedule and repay the exam fee.
- Need either a Chrome or Firefox browser (Chrome works best)
- Need a functioning computer web-camera and microphone
- Need a good consistent Internet connection capable of uploading files in excess of 3 Mbps

Please use the following links to do a system check before you schedule your exam to make sure your computer system will allow you to take a test using this system.

<https://examroom.ai/systemtest/>

When prompted “Permission to access camera and microphone”, you must click “Allow.”

If you do not have access to equipment that meets the minimum requirements, Prov has laptops available for use during your exam. To request access to a Prov laptop you may call (866) 720-7768 and ask a call center representative for assistance. You will be responsible for the cost of shipping and handling. Please call for more information.

Remote Testing Information

Remote testing is offered as a convenience to you to help you take your test without having to travel. However, by choosing to test remotely, you are agreeing to abide by the following conditions:

1. You will need to be in a quiet, distraction free environment.
2. You need to be sitting at a table, desk, or counter.
3. Your table or desk needs to be completely clear of anything you are not permitted to use during testing; no papers, notes, non-testing books, practice exams, drinks, food, etc. You may have a bottle of drinking water with a cap.
4. All non-testing electronic equipment needs to be removed from the room; calculators, additional cell phones, etc. If there is a TV or second monitor in the room that cannot be removed, you will be asked to show the proctor that it is unplugged.
5. Your area under your table, desk, or chair needs to be clear of everything; blankets, pillows, papers, backpacks, boxes, etc.
6. Your work area needs to be obstruction free so that we can see you, your arms and hands, throughout the entire testing process.

7. You are not permitted to have anyone in the room with you, nor can you receive any aid from anyone during the test.
8. You are not permitted to access any other website during testing unless directed by the system to do so.
9. If requested to download a special extension on your computer, you will not tamper with the extension or try to disable it while testing.

If you are unable to have a testing environment that meets these conditions, we may deny you the ability to test remotely, and we will reschedule you at one of our in-person testing center.

<https://youtu.be/h3T9svnldLY>.

Proof of Identity

You will be required to show government-issued, photo-bearing identification that includes your signature. Your first and last name on your ID MUST match the name on your admission documents. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver's license, passport, or military ID. Expired IDs will NOT be accepted. Temporary identification with a copy of the expired identification will be accepted. Please contact Prov in

advance of your test date if you have any questions regarding your photo ID. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, refuse to participate in signing as instructed or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

Prohibited Items

No cameras, recorders, cell phones, computers, (other than those in use for administration of your examination remotely, if applicable), pagers, tablet computers, music players, smart watches, radios, electronic games, or any other electronic devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items are not permitted in the testing room.

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the Board will be notified of your dismissal from the exam.

Visitor Policy

No one other than the candidate will be allowed in the testing room.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Division of Professional Regulation. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

Candidate Civility Expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

SCORE INFORMATION

Candidates must achieve an overall passing scaled score of 75.00 on the practical and written exams.

RESULTS REPORTING

Unofficial written exam results are available at the testing center once you complete your exam. Official results will be emailed to you within 3 days after your test.

Official results for the practical exam will be emailed to you within three (3) business days after your test.

RETESTING POLICY

Failed examinations can be retaken as often as is necessary. There's no waiting period, and candidates can schedule a new testing session for the first available testing date.

Candidates cannot retake an exam once they have passed that exam unless required by the State of Idaho.

PROV'S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at (801) 733-4455 or write to:

Prov, Inc., 150 W Civic Center Drive, Suite 601, Sandy, UT 84092.

AMERICANS WITH DISABILITIES ACT ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing accommodations. To request accommodations during testing, candidates should complete and submit these ADA forms: [ADA Forms](#)

Prov will require written documentation from a licensed physician or psychologist documenting the disability and the recommended accommodations to be provided. Prov will then work directly with the candidates to arrange the approved accommodations.

Note: Accommodations will not be provided based solely on a candidate's inability to read and comprehend English. This is due to the possible impact on the security and integrity of the examinations, any accommodation provided shall be made in accordance with test administration guidelines and applicable law.

What to expect on test day	2

WHAT DO YOU NEED TO BRING

Please make sure you bring all the necessary items for your test to avoid any delays.

- A valid, government-issued photo ID (such as a driver's license, passport, or military ID). All candidates are required to show their ID during check-in. Please note that paper, temporary, copies, or electronic versions of ID are NOT considered acceptable forms of ID. Those who do not provide a valid form of ID will not be able to test and will forfeit their exam fees.
 - Please check your state specific Candidate Information Bulletin for all information pertaining to ID requirements.
- Materials listed in the NIC suggested supply list.
- Fully charged phone and laptop. It is recommended that these devices be plugged into a power source throughout the duration of your examination.
- A well-lit workspace, please avoid having any bright lights or windows behind you.

HOW TO SET UP YOUR WORKSPACE?

Properly setting up your workspace before your exam will help to avoid any unnecessary delays to your testing experience. Please follow the instructions outlined below to the best of your ability.

First, ensure you have a large enough space to accommodate all your supplies. Supplies must be visible to examiners, including, but not limited to, trash receptacles. We recommend using a large table and workspace clear of any other non-exam-related items.

Two views of your workspace are required to test: a front view, and a side view.

Front View

- The front view should allow the examiner to see your workspace, supplies, and mannequin head.
- Avoid any bright lights or windows in the background.
- Set your laptop at an 80-degree angle toward you, not straight up and down and 35 inches away from the workspace.
- Viewing the working area is more important than seeing your face.

Side View

- The side view will require a smart phone to stream video footage during the length of the exam. Phones should be plugged into power to avoid depleting the battery during the examination.
- Place your cell phone about 45 inches behind and to the left or right of the work area. Enough space away that you can see the bags labeled Items to be Disinfected, Trash, and Soiled Linens. Keep all 3 bags on the same side facing your cell phone.

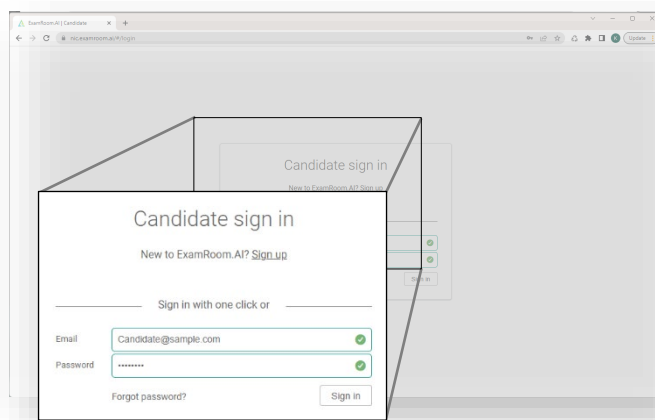

- The phone should look toward the ground and be directed to the bags under your work area.
- The Bags should be labeled on all four sides.
- Please position yourself so that there are no windows situated behind you during testing. Any other windows in the testing area should be covered.
- Make sure there is good lighting so the Examiners can see what you are working on.
- Once your equipment and workstation has been set up appropriately, you are ready to begin your exam.
