GENERAL TESTING INFORMATION

The New Hampshire Office of Professional License and Certification (OPLC) has contracted with Prov, Inc. to develop, and administer the following licensing examinations:

- Journeyman Electrician Exam
- Master Electrician Exam
- Electrical Re-Licensing Exam

This bulletin has been developed to help explain the rules and processes you will need to undertake to complete the testing requirement for your license.

New Hampshire law requires state licensing for each individual who is an electrician, or who is engaged in electrical work, or who uses any title, sign, card, advertisement or other device to indicate that they are engaged in electrical work.

To become licensed, you must first complete the appropriate application with the State of New Hampshire Electrician Board. Applications are posted online at the Board's website.

Once you have been approved for testing, the Board will notify you that you are eligible to contact Prov to schedule your examination. You will be eligible to take the exam for one year.

If you have questions regarding which exam to take, please check with your school, or contact the OPLC at (603) 271-2152.

PREPARING FOR YOUR EXAMS

The electrician licensing examinations that candidates will take are designed to test what qualified electricians should know as they begin operations in the electrical field. The test questions used on the examinations have been prepared and reviewed by electricians and cover the wide range of topics candidates would normally encounter as an electrician in their particular field. If candidates have worked in the electrical field for some period of time in a variety of different settings, they likely have experienced much of what will be found on their examination. On the other hand, if the candidates' experience is limited (not only in years but in the variety of work performed) then it is likely they may want to spend time increasing their knowledge by studying areas in which they are less familiar. For all candidates, the reality is that people forget those things they don't use, and over time a candidate's knowledge in some areas may have decreased.

Prov recommends that candidates prepare for their tests by familiarizing themselves with the exam references with emphasis on the subject areas listed in each exam description. Candidates who are familiar with their reference materials will spend less time searching for answers during the exam. When preparing for the exam, remember that hand-written notes are not allowed in a reference book used for testing. Candidates are encouraged to prepare their test materials by highlighting text or placing permanent tabs on important pages.

It is NOT mandatory that candidates purchase any study materials in preparation for their examinations; however, all examinations permit the use of authorized study materials and candidates may be at a disadvantage if they do not bring those materials with them to their testing session. At a minimum Prov recommends that candidates have their own code books related to their exams which may be useful to candidates after their testing is complete.

PURCHASING REFERENCE MATERIALS & STUDY GUIDES

You will be provided with a list of reference books when you apply for your test. You can also go to our website for this info. In addition to publisher information, Prov has listed the reference book's ISBN and a website at which candidates can purchase the reference book. Most reference books can also be purchased by phone or online through the following companies. Shipping charges will apply. Brick and mortar locations are indicated, but candidates should call to verify that orders are ready for pickup.

TEST DAY RULES AND PROCEDURES

Testing Center - Check-in Deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments in order to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Test site testing candidates proceed to "Proof of Identity" section of this bulletin.

Written Remote Testing Information

What is Examroom?

Examroom is a remote test monitoring service that allows you to take your test on your own computer at your home. On test day, you log into the Examroom website and request to start your exam. A test proctor will greet you over your computer, will verify your identity, take your picture, and observe you throughout the testing process.

Not every computer system is capable of taking a test on Examroom. The following are the **MINIMUM** requirements that your computer system would need to meet in order to qualify to take your test using the Examroom service:

- The operating system on computer needs to be recent (less than 3-4 years old)
- Works on a MAC, PC, or Chromebook
- Need either a Chrome or Firefox browser (Chrome works best)
- Need a functioning computer web-camera and microphone
- Need a good consistent Internet connection capable of uploading files in excess of 3 Mbps

Please use the following links to do a system check before you schedule your exam to make sure your computer system will allow you to take a test using this system. <https://examroom.ai/systemtest/>

When prompted “Permission to access camera and microphone”, you must click “Allow.”

If you do not have access to equipment that meets the minimum requirements, Prov has laptops available for use during your exam. To request access to a Prov laptop you may call (866) 720-7768 and ask a call center representative for assistance. You will be responsible for the cost of shipping and handling. Please call for more information.

Remote Testing Information

Remote testing is offered as a convenience to you to help you take your test without having to travel. However, by choosing to test remotely, you are agreeing to abide by the following conditions:

1. You will need to be in a quiet, distraction free environment.
2. You need to be sitting at a table, desk, or counter.
3. Your table or desk needs to be completely clear of anything you are not permitted to use during testing; no papers, notes, non-testing books, practice exams, drinks, food, etc. You may have a bottle of drinking water with a cap.
4. All non-testing electronic equipment needs to be removed from the room; calculators, additional cell phones, etc. If there is a TV or second monitor in the room that cannot be removed, you will be asked to show the proctor that it is unplugged.
5. Your area under your table, desk, or chair needs to be clear of everything; blankets, pillows, papers, backpacks, boxes, etc.
6. Your work area needs to be obstruction free so that we can see you, your arms and hands, throughout the entire testing process.
7. You are not permitted to have anyone in the room with you, nor can you receive any aid from anyone during the test.
8. You are not permitted to access any other website during testing unless directed by the system to do so.
9. If requested to download a special extension on your computer, you will not tamper with the extension or try to disable it while testing.

If you are unable to have a testing environment that meets these conditions, we may deny you the ability to test remotely, and we will reschedule you at one of our in-person testing center.

The following link will take you to a short video that demonstrates Prov’s testing system (click skip ads to proceed to Prov’s video):

<https://youtu.be/h3T9svnldLY>.

Proof of Identity

You will be required to show government-issued, photo-bearing identification that includes your signature. If your photo ID does not have a signature, you may present a credit card, student ID etc. that has your signature along with your photo ID. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver’s license, passport, or military ID. Please contact Prov in advance of your test date if you have any questions regarding your photo ID.

You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, if you refuse to participate in signing as instructed or refuse to be photographed, you will be dismissed from the test and forfeit all testing fees for that testing session.

Prohibited Items

No cameras, recorders, cell phones, computers, (other than those in use for administration of your examination remotely, if applicable), pagers, tablet computers, music players, smart watches, radios, electronic games, or any other electronic devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references that are NOT on the approved reference list or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items are not permitted in the testing room.

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the State will be notified of your dismissal from the exam.

Approved Items

You may bring the following approved items into the testing center:

- **Pencils.** (Paper/pencil testing only)
- **Calculator.** Only simple 4-function calculators are permitted. PDAs, tablets, cell phones or other special calculators are NOT permitted.
- **Approved References.** (See information below).

Reference Material Rules

All examinations are designed to allow you to use **authorized** references while taking the exams. For a list of authorized reference materials for the exams, please refer to the exam description for the examination. All reference materials will be checked by the Prov test administrator prior to being permitted access to the testing room.

You should prepare your reference materials using **ONLY** the following methods.

- Highlighting
- Underlining in Pen only
- Attaching permanent tabs

Reference materials which do not meet the following guidelines will not be allowed in the testing room. These guidelines are in place to ensure that every candidate is tested fairly and that no candidate has access to unapproved resources.

- Handwritten notes are NOT allowed in any portion of a reference book and will need to be erased prior to using the materials.
- Moveable tabs are NEVER permitted in a reference book.
- A reference book CANNOT contain Post-it notes.
- Photocopied documents CANNOT be added to a reference book.
- Photocopied versions of a reference book are NEVER permitted.
- Test preparation study guides are NOT approved references and are NOT permitted in the testing center; this includes practice examinations.

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the State will be notified of your dismissal from the exam. During the testing process you MAY NOT:

- Share reference materials during testing.
- Highlight, underline, mark or write any kind of information in their reference materials during testing.

Visitor Policy

No one other than the candidate will be allowed in the testing room.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Division of Professional Regulation. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

Candidate Civility Expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the State. If any physical harm occurs, civil action may also be taken against the candidate.

SCORE INFORMATION

Exams will be scored and graded against a cut-score of 70%. Candidates achieving a score of 70% or higher will receive a passing grade on the exam.

RESULTS REPORTING

Official exam results will be emailed to you and provided to the State within 1 to 3 days after your test.

Because the examination process is a requirement for licensure with the State of New Hampshire OPLC, candidates automatically consent to permit Prov to share their test results with the State.

RETESTING POLICY

Failed examinations can be retaken up to 2 times within the 180-day eligibility period. In the event an applicant needs to retake the exam after 3 failed attempts or if the 180-day eligibility period has expired, they must be reapproved by the Board.

Candidates cannot retake an exam once they have passed that exam unless required by the State of New Hampshire Electrician Board. Candidates must wait two days between examination attempts before rescheduling.

REVIEWS

Reviews are intended to help candidates audit their testing results by allowing them to see which questions were missed during testing.

Candidates may request a review of their exam after failing an exam category two (2) times. To be eligible for a review, candidates must score within 10% of the required passing score. The review for all tests is 1-1/2 hours in length. During the review candidates will be provided a printout of the questions they missed and the answers chosen in response to those questions. The review will be conducted under the same testing conditions as the exam using the same test security rules.

The cost of the review is **\$90.00** (includes tax) for each test reviewed. Candidates will request or schedule a review using the same methods described earlier for scheduling.

EXAM CHALLENGE PROCESS

If during an exam or review, candidates encounter a question they think is inaccurate or otherwise incorrect, they are encouraged to submit an Exam Comment form to Prov detailing why they feel the question is in error.

Candidates testing on computer may make their comments in the testing system, while those taking a paper/pencil format exam may submit comments on a comment form that can be obtained from the test proctor at the testing center. Candidates who are reviewing an exam will automatically be provided with an Exam Comment form.

Prov staff will review each comment within two weeks of receipt by Prov and will make scoring adjustments should any comment result in a change to a test question.

HAND SCORE REQUEST

Prov ensures the accuracy of our exam results. Our computer system is designed to identify and report any potential error in data collected from an exam session. If you would like to have your score reassessed for accuracy, you can request a Hand Score by calling Prov at (801) 733-4455 and asking for a Hand Score Request Form.

A Hand Score Request form requires a signature and must be mailed to Prov. Forms must be received by Prov no later than ninety (90) days after your examination administration date and must be accompanied by a copy of your original score letter.

Once a Hand Score is received, Prov Staff will process the request within seven (7) to ten (10) business days. During the Hand Score process a staff member will ensure that your answers were properly recorded and scored by comparing the captured answers to the exam key. Upon completion of the Hand Score we will provide a letter by mail to report the outcome of the reassessment. The cost of the hand score is \$25.00.
