GENERAL TESTING INFORMATION

The Division has contracted with Prov, Inc. to administer the following NIC Cosmetology/Barbering examinations:

- Barber
- Cosmetologist/Barber
- Hair Designer/Barber
- Electrologist
- Esthetician
- Master Esthetician
- Nail Technician
- Instructor
- Eyebrow/Eyelash

The purpose of this bulletin is to provide you with information about taking your licensing examination(s) with the State of Utah. For all license categories except for Instructor, you will be required to pass BOTH a written and practical examination to become licensed.

Prov is not authorized to make the determination of which examination(s) candidates must take. If a candidate is unsure which exam is needed for the license being sought, resolve this question before scheduling. If candidates have questions regarding which exam(s) to take, please check with your school, or contact UT DOPL at **(801) 530-6628**.

EXAMINATION CATEGORIES & COST

Candidates seeking to be licensed in the State of Utah must successfully complete two (2) examinations; those seeking instructor licenses must pass only a written examination.

Each written and practical exams cost \$105 for each examination. The fees are the same whether you are testing for the first time or if you are retaking the examination.

Important Note: When there is more than one practical section (e.g. Barber and Cosmetology or Barber and Hair Design), candidates will only have to pass each section one time. If a candidate fails a section, only the failed section will require retesting.

This flexibility in retesting will require that candidates schedule each practical exam section at the same time. If the practical sections are scheduled for the same day, the single fee will be charged. However, if a candidate wants to take each section on different days, each section will be charged like a separate exam.

Proof of Identity

You will be required to show government-issued photo identification. The photo ID must be current and valid. Additionally, the name on your ID must match exactly with the name you provided to Prov at time of scheduling. Please make any corrections to your name prior to your scheduled testing appointment.

Forms of valid photo-bearing ID are a driver's license card, passport, military ID, or permanent resident card. A temporary Utah Driver's License (paper copy) by itself is not sufficient proof of identity. If you currently have a temporary driver's license, you will ALSO need to bring in your recently EXPIRED original driver's license. Together your new temporary driver's license and your expired original license can be used to verify your identity. If you only have the temporary copy or the expired license, you will be refused entry. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, refuse to participate in signing the test center log, or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session. If you do not have a photo ID, you may still present a valid State driver's license without a photo or a State ID card without a photo that is issued by the DMV.

You will be refused to test by the testing center staff if:

- your name on the testing roster and name on ID do not match exactly
- you do not produce a valid government-issued photo ID
- you refuse to sign the test center log
- you refuse to be photographed

If refused at the testing center, you will be dismissed and forfeit all testing fees for that testing session.

TEST DAY RULES AND PROCEDURES

Check-in Deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments in order to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Prohibited Items

No cameras, recorders, cell phones, computers, pagers, tablet computers, music players, smart watches, radios, electronic games, or any other electronic devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items should be placed in secure storage at the testing facility.

For exam security you may also be **asked to remove** articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the Division will be notified of your dismissal from the exam.

Visitor Policy

No one other than the candidate will be allowed in the testing room.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Division of Occupational and Professional Licensing. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

If you violate any of these procedures during testing, your test will be stopped, your test be graded as failed, you will forfeit your testing fees, and you will be reported to your licensing board, which typically ends in a 12-month testing moratorium.

Candidate Civility Expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

RESULTS REPORTING

Upon completion of an examination, your test will be scored, and you will be provided with an unofficial score result while at the testing center. Official score results for the written and practical exam will be sent within three (3) business days following completion of the test.

RETESTING POLICY

Failed examinations can be retaken as often as is necessary. There is no waiting period, and candidates can schedule a new testing session for the first available testing date. Candidates cannot retake an exam once they have passed that exam unless required by the State of Utah.

PROV'S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at (801) 733-4455 or write to:

Prov, Inc., 150 W Civic Center Drive, Suite 601, Sandy, UT 84092.

AMERICANS WITH DISABILITIES ACT ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing accommodations. To request accommodations during testing, candidates should complete and submit these ADA forms: [ADA Forms](#)

Prov will require written documentation from a licensed physician or psychologist documenting the disability and the recommended accommodations to be provided. Prov will then work directly with the candidates to arrange the approved accommodations.

Note: Accommodations will not be provided based solely on a candidate's inability to read and comprehend English. This is due to the possible impact on the security and integrity of the examinations, any accommodation provided shall be made in accordance with test administration guidelines and applicable law.

TESTING SITE AVAILABILITY

You may take your Cosmetology-related written examinations at any one of Prov's testing centers located from Logan to St. George. You can also take the written exam at home using Prov's Examroom® service.

What is Examroom?

Examroom is a remote test monitoring service that allows you to take the test on your own computer at your home. You schedule the test the same way you would an in-person testing site; by selecting your preferred test date and time. Then, on test day, you log into the Examroom website and request to start your exam. A test proctor will greet you over your computer, verify your identity, take your picture, and observe you throughout the testing process.

How to decide whether to use Examroom? **Not every computer system is capable of taking a test on Examroom.** The following are the **MINIMUM** requirements that your computer system would need in order to qualify to take the test using the Examroom service:

- Operating system on computer needs to be recent (less than 3-4 years old)
- Works on a MAC, PC, or Chromebook
- Need either a Chrome or Firefox browser (Chrome works best)
- Need a functioning computer web-camera and microphone
- Need a good consistent Internet connection capable of **uploading** files in excess of 3 Mbps

Please use the following link to do a system check **before you schedule** the exam to make sure your computer system will support testing using the Examroom Service.

<https://examroom.ai/systemtest/>

When prompted "Permission to access camera and microphone", you must click "Allow".

Note, you are permitted to use only one monitor/screen during your remote exam.

If your system does not allow you to test at home, don't worry, we have some great testing locations that are not too far away.

Remote Testing Information

Remote testing is offered as a convenience to you to help you take your test without having to travel. However, by choosing to test remotely, you are agreeing to abide by the following conditions:

1. You will need to be in a quiet, distraction free environment.
2. You need to be sitting at a table, desk, or counter.
3. Your table or desk needs to be completely clear of anything you are not permitted to use during testing; no papers, notes, non-testing books, practice exams, drinks, food, etc. You may have a bottle of drinking water with a cap.
4. All non-testing electronic equipment needs to be removed from the room; calculators, additional cell phones, etc. If there is a TV or second monitor in the room that cannot be removed, you will be asked to show the proctor that it is unplugged.
5. Your area under your table, desk, or chair needs to be clear of everything; blankets, pillows, papers, backpacks, boxes, etc.
6. Your work area needs to be obstruction free so that we can see you, your arms and hands, throughout the entire testing process.
7. You are not permitted to have anyone in the room with you, nor can you receive any aid from anyone during the test.
8. You are not permitted to access any other website during testing unless directed by the system to do so.
9. If requested to download a special extension on your computer, you will not tamper with the extension or try to disable it while testing.

If you are unable to have a testing environment that meets these conditions, we may deny you the ability to test remotely, and we will reschedule you at one of our in-person testing center.

The following are the testing sites and testing days of the week.

Note that sites may change as needed. Please refer to the current online scheduling system to find available testing times for each location.

The sites are designated as either a “written” testing site where you may take your written examination, or as “written & practical” testing site where you may take both your written examination and your practical examinations. Note, NOT all practical examinations are given on each day as indicated. This list merely shows the days of the week that each testing site is available to deliver examinations.

Test sites in bordering states are not included in this list but will populate when scheduling examinations.
