Test Site Testing - Check-in Deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Test site testing candidates proceed to “Proof of Identity” section of this bulletin.

What is Examroom?

Examroom is a remote test monitoring service that allows you to take your test on your own computer at your home. On test day, you log into the Examroom website and request to start your exam. A test proctor will greet you over your computer, will verify your identity, take your picture, and observe you throughout the testing process.

Not every computer system is capable of taking a test on Examroom. The following are the **MINIMUM** requirements that your computer system would need to meet in order to qualify to take your test using the Examroom service:

- The operating system on computer needs to be recent (less than 3-4 years old)
- Works on a MAC, PC, or Chromebook
- Need either a Chrome or Firefox browser (Chrome works best)
- Need a functioning computer web-camera and microphone
- Need a good consistent Internet connection capable of uploading files in excess of 3 Mbps

Please use the following links to do a system check before you schedule your exam to make sure your computer system will allow you to take a test using this system. <https://examroom.ai/systemtest/>

When prompted “Permission to access camera and microphone”, you must click “Allow.”

If you do not have access to equipment that meets the

minimum requirements, Prov has laptops available for use during your exam. To request access to a Prov laptop you may call (866) 720-7768 and ask a call center representative for assistance. You will be responsible for the cost of shipping and handling. Please call for more information.

Remote Testing Information

Remote testing is offered as a convenience to you to help you take your test without having to travel. However, by choosing to test remotely, you agree to abide by the following conditions:

1. You will need to be in a quiet, distraction-free environment.
2. You need to sit at a table, desk, or counter.
3. Your table or desk needs to be completely clear of anything you are not permitted to use during testing, no papers, notes, non-testing books, practice exams, drinks, food, etc. You may have a bottle of drinking water with a cap.
4. All non-testing electronic equipment needs to be removed from the room, calculators, additional cell phones, etc. If there is a TV or second monitor in the room that cannot be removed, you will be asked to show the proctor that it is unplugged.
5. All windows in the testing room must be covered.
6. Your area under your table, desk, or chair needs to be clear of everything; blankets, pillows, papers, backpacks, boxes, etc.
7. Your work area needs to be obstruction free so that we can see you, your arms and hands, throughout the entire testing process.
8. You are not permitted to have anyone in the room with you, nor can you receive any aid from anyone during the test.
9. You are not permitted to access any other website during testing unless directed by the system to do so.
10. If requested to download a special extension on your computer, you will not tamper with the extension or try to disable it while testing.

If you are unable to have a testing environment that meets these conditions, we may deny you the ability to test remotely, and we will reschedule you at one of our in-person testing center.

Proof of Identity

You will be required to show photo-bearing identification that includes your signature. Your first, middle name or middle initial and your last name on your ID **MUST** match the name on your admission documents **EXACTLY**. The photo-bearing ID must be current and valid. Forms of valid photo-bearing IDs are a driver's license, state ID, public school student ID, passport, or military ID that includes your signature. Temporary IDs and expired IDs will **NOT** be accepted. Please contact Prov in advance of your test date if you have any questions regarding your photo ID. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID with your signature, if you refuse to participate in signing as instructed or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

Prohibited Items

Cameras, recorders, cell phones, computers, pagers, tablets, music players, smart watches, radios, electronic games, or any other electronic devices **ARE NOT ALLOWED** in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items should be placed in secure storage at the testing facility.

For exam security you may also be **asked to remove** articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the State will be notified of your dismissal from the exam.

Visitor Policy

No one other than the candidate will be allowed in the testing room.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Department of Professional and Occupational Regulation. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

Candidate Civility Expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

Security Protocols

Candidates will be asked if they possess any prohibited items, to empty their pockets and turn them out to ensure they are empty. Items in pockets will be inspected. Candidates will be asked to raise their sleeves and their pant legs to ensure that notes or recording devices are not concealed. Proctors will also carefully inspect eyeglass frames, tie tacks, or any other apparel that could be a recording device.

RESULTS REPORTING

Official exam results for the practical and written exam will be emailed to you 24 hours after your test is complete.

All official exam results will be sent by Prov to DPOR electronically.

RETESTING POLICY

Failed examinations can be retaken as often as is necessary. There is no waiting period, and candidates can schedule a new testing session for the first available testing date. Candidates cannot retake an exam once they have passed that exam unless required by the Commonwealth.
